## RELATIONSHIP WITH OUR CONTROLLING SHAREHOLDERS

### INDEPENDENCE FROM OUR CONTROLLING SHAREHOLDERS

Immediately following the Share Offer and Capitalisation Issue and taking into no account of any Shares which may be allotted and issued pursuant to the exercise of the options which may be granted under the Share Option Scheme, our Company will be owned as to approximately 70% and 30% by Business Good and the public respectively. Business Good is a company incorporated in the BVI on 3 April 2012 and an investment company. As at the Latest Practicable Date, Business Good was owned as to 93.2% by Mr. Lee and 6.8% by Mr. Cheung. As Business Good and Mr. Lee, directly or indirectly entitled to exercise or control the exercise of 30% or more of the voting power at our general meeting, each of Business Good and Mr. Lee is regarded as our Controlling Shareholder under the Listing Rules.

As at the Latest Practicable Date, neither Business Good nor Mr. Lee controls or conducts any business which competes, or is likely to compete, either directly or indirectly, with our business.

Our Directors consider that our Group is capable of carrying on its business independently of our Controlling Shareholders and their respective associates based on the following particulars:

#### **Management Independence**

Our Board comprises two executive Directors, and three independent non-executive Directors. Mr. Lee, our chairman, the chief executive officer of our Company and an executive Director, is our Controlling Shareholder.

Except as disclosed above and in the section headed “Directors, senior management and staff” in this prospectus, no other Controlling Shareholder holds any directorship in our Company. Each of our Directors is aware of his fiduciary duties as a Director which require, among other things, that he acts for the benefit and in the best interests of our Company and does not allow any conflict between his duties as a Director and his personal interest. In the event that there is a potential conflict of interest arising out of any transaction to be entered into between our Group and our Directors or their respective associates, the respective interested Director(s) shall abstain from voting at the relevant board meetings of our Company in respect of such transactions and shall not be counted in the quorum.

Save as disclosed, we have an independent senior management team to carry out the business decisions of our Group independently. Having considered the above factors, our Directors are satisfied that our senior management team is able to perform their roles in our Company independently, and our Directors are of the view that we are capable of managing our business independently from our Controlling Shareholders after the Share Offer.

### **Operational and financial independence**

Our Group is principally engaged in the organisation and management of trade exhibitions as well as the provision of Exhibition Related Services for other exhibition organisers or project managers. We are capable of providing services to cater for our exhibitors and target visitors of exhibitions that are organised or managed by us. It is our business goal to promote and facilitate trades between international buyers and manufacturers, particularly manufacturers from Asia through the trade exhibitions organised or managed by us. Our major customers are (i) exhibition services agents which purchase our booths and resell to exhibitors and (ii) exhibitors which we sold our booths to directly or referred by our sales agents. None of our Directors or their respective associates, or any Shareholder who, to the knowledge of our Directors, holds more than 5% of our issued Shares, had any interest in any of our customers or our five largest customers during the Track Record Period.

Our Group's major suppliers are exhibition organisers, advertising agents, venue providers, booth contractors and sales agents. Save as Mr. Cheung who is the beneficial owner of GIIL Group, none of our Directors, their respective associates and Shareholders who owns more than 5% of the issued share capital of our Company has any interest in any of the top five suppliers of our Group during the Track Record Period. Our Directors are satisfied that we have independent access to our suppliers.

During the Track Record Period, we principally financed our operations through cash generated from our operation. Our source of funding is independent from our Controlling Shareholders and none of our Controlling Shareholders or their respective associates had financed our operations during the Track Record Period. Our Directors also believe that we are able to obtain financing independently from our Controlling Shareholders.

During the Track Record Period and up to the Latest Practicable Date, we had our own finance department and independent accounting systems. During our operation, we do not use any facilities of our Controlling Shareholders or their respective associates.

Amounts due from Mr. Lee, our Controlling Shareholder amounted to approximately HK\$45.9 million, HK\$55.9 million and HK\$21.8 million as at 30 June 2011, 30 June 2012 and 30 June 2013 respectively. Such balances were unsecured, interest free, and repayable on demand. As at the Latest Practicable Date, all of the balances with our Controlling Shareholder have been fully settled.

Save as aforesaid, our Group does not rely on our Controlling Shareholders and/or their respective associates by virtue of provision of financial assistance. Accordingly, there is no financial dependence on our Controlling Shareholders.

For the above purpose, the “**Relevant Period**” means the period commencing from the Listing Date and shall expire on the earlier of the dates below:
